FALL 2021

WELCOME BACK

Dear Members,

I would like to personally welcome you back to the club this Fall season. On October 24th Lakewood Indoor Tennis Centre is celebrating its 27th year from the time that our doors first opened.

The club has been a "home away from home" for members, visitors, coaches, and staff. Thousands has come through our doors to enjoy, learn, or build relationships. All of you have contributed, and helped, in one way or another, to build what we are right now. A big celebration is in the works, but currently on hold due to the pandemic.

The Covid situation has affected our operations like no other time in the history of the club. I want to thank you for your support, understanding, loyalty, and commitment to the club. I appreciate your patience in dealing with the changes and respecting the procedures we have in place during this hard time. We want to keep everyone safe, and at the same time offer you the opportunity to enjoy the club.

We would like to introduce to you our new Tennis Director, Derek Van Den Berg, who comes to us from Alberta. More information on Derek is given on page 5.

I hope that coming to Lakewood, hitting thousands of balls, meeting new people, or getting together with old friends brings you the joy that you seek.

Finally, I would like to thank two of the most important people at the club. Hillary, who soon will be celebrating 8 years with us, and Brandon, who has been with us for 10 years. They have been a huge part of the success of the Club.

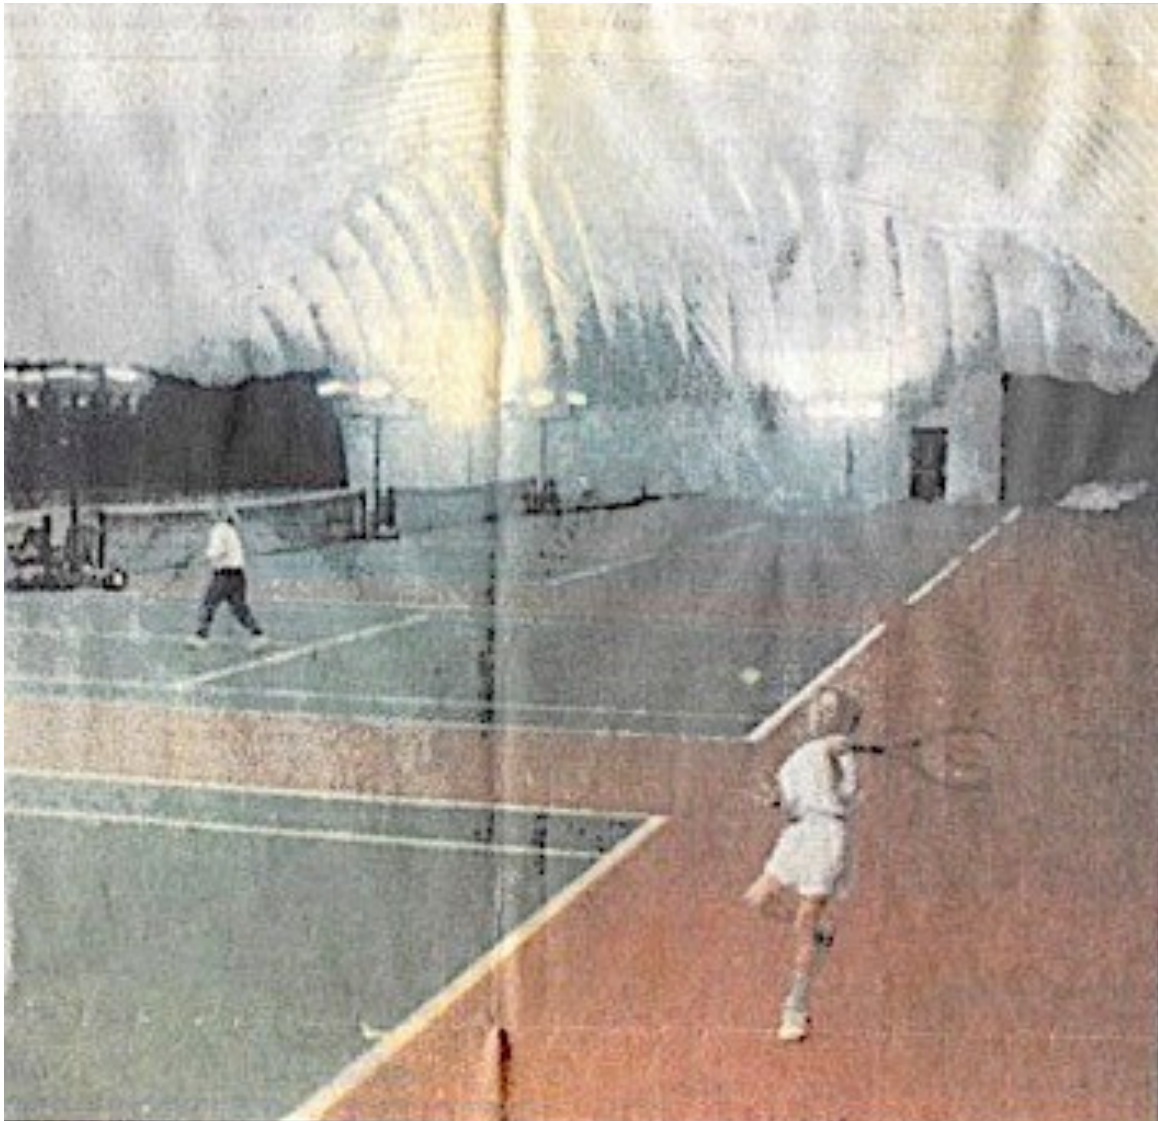

Be well, and see you on the court.

Sincerely,

Leo Liendo
Owner, Lakewood Indoor Tennis Centre

— COVID-19 PROTOCOLS —

Throughout the pandemic Lakewood Indoor Tennis Centre has prioritized the health and safety of all members, program participants, guests, and staff. LITC's demographics, ranging from young children, who are not yet eligible for vaccination, to seniors and those who may be immune-compromised, are an important consideration in developing our COVID-19 policies.

As of October 1st, 2021, Lakewood Indoor Tennis Centre will require proof of vaccination for Covid-19 and a mask to access the facility in accordance with Saskatchewan Public Health Measures. This means that anyone age 18 and older will be required to provide proof of vaccination to the Front Desk in order to enter the club. Youth under the age of 18 are exempt from proof of vaccination if they are participating in sport, but must wear a mask. All guests and spectators must provide proof of vaccination and wear a mask at all times.

In addition to our Vaccination Policy, members, guests and staff will be required to continue following all existing Saskatchewan Health Authority Public Health & Safety policies such as the mandatory mask policy, physical distancing, and any other public health measures instituted by the province, and/or the city.

We ask our members, program participants and guests to understand the pressures we are all facing during the pandemic. Please be kind and respectful of our staff. Any belligerent or aggressive behaviour or the refusal to obey public health orders will not be tolerated in our Centre.

Brandon Smith
Manager, Lakewood Indoor Tennis Centre
